Good Evening Conrado,

Let me start off by thanking you for the opportunity to help the Highland Park community.

It has been a privilege serving along side you. Unfortunately, I was not able to assist with Councilman's Cedillo's great event.

Please know that I am very grateful for Cedillo's service as I know he has improved our community tremendously.

At this time I will not be able to provide monetary assistance (as I am a recent college graduate) however I have many skills that I believe can help at your office.

Would it be possible for me to either work or volunteer for such a great role model?

With Gratitude,

Gustavo A. Alza, Jr.
